

A Legacy for the Animals

A Lasting Legacy of Love

You can make a lasting contribution toward saving the lives of countless numbers of animals by naming C & W Rustic Hollow Shelter, Inc., as a beneficiary in your will or Life Insurance policy. In doing so, you can provide a way to give long lasting support to a cause in which you believe. Bequests are the simplest form of planned giving. The benefit to the donor is that estate taxes are reduced as a result of the gift. To be sure your wishes are carried out, speak to your attorney about writing the correct wording into your Will.

Investment or charitable trusts are also something your attorney could advise you about. Please remember the animals when you prepare your will or trust documents. They are counting on you. Your lasting gift to the animals will create an enduring gift of love which will save animals' lives.

Your gift will help us continue to grow and help more special needs animals-animals that are deemed 'unadoptable' because of their disability, their FeLV or FIV positive status, or their behavioral issues, age, or personality issues. These beautiful special needs animals need a 'chance at a lifetime' and we offer this for those animals. Your gift will go a long way to help some very special animals!

We also have a Safety Net Program to take the worry out of your pet's future in the event of your death or inability to provide care to your best friend. Remember your pets when planning your estate.
